FISCAL ANALYSIS

Assumptions:

1. If this bill passes, local governments with revenues of \$500,000 or higher would continue to pay filing fees to the Local Government Services Bureau of the Department of Administration as defined in administrative rules.
2. If HB 334 does not pass, then approximately 45 local governments will no longer pay filing fees. The filing fee schedule would need to be adjusted for local governments having revenues of at least \$750,000.
